## EXPERIENCE

2018 -Now

### PROJECT MANAGER/PRODUCT OWNER (BANGKOK SOLUTIONS CO.,LTD.)

As a Project Manager with designing background, my responsibility are handling , coordinating and managing many types of tasks with other teams, such as web design, application design and software design & development, to accomplish project's timeline.

2016 -Now

### SENIOR UX/UI DESIGNER (BANGKOK SOLUTIONS CO.,LTD.)

As an UX/UI Designer, I have been designed with understanding, and passion for pixel-perfect precision to meet customers' requirements and also provided the best solution with great user experience.

And I'm working closely to developer team so I am understand the depth of their working process and able to ensure scope, requirement and direction of the product are aligned and will be handed to customer on time. I have some knowledge about HTML, CSS and database tables, so I can help the developer to edit code which would be reduce developer's tasks.

2015

### WEB DESIGNER TRAINEE (DNA AGENCY)

I got internship at DNA Agency as a Web designer for 4 Months and I learned about Web design and Web animate with many company such as AIS and Sum-sung.
